Dear Mr. Sanderlin:

On the suggestion of Berny Kostelnik I am enclosing three copies of a lease on the property being purchased from Clifford F. and Ida S. Sedivy near Columbia Falls, Montana. I believe that it incorporates the details that we have discussed so I would suggest that you have it executed by the proper officer before a Notary Public and return at least one copy to me as we should give the Sedivy's a copy when we meet with them in Chuck Taylor's office of June 24th.

Very truly yours,
